SELECTMEN' REPORT

The Selectmen laid out and had built two new roads in 1971.

One was over property of Peter Burling according to specifications set down by the Selectmen and Road Agent. This project was paid for by Peter Burling. The new road has been accepted by the Selectmen as a Town highway and the old road in front of the Burling residence has been discontinued in accordance with the vote of the Town at the March 1971 meeting.

The other road was laid out over land deeded to the Town by Nicolaas Leyds and was built by TRA funds according to State specifications. This road was also accepted as a Town highway and road in front of the Leyds residence was discontinued in accordance with the vote of the Town at the March 1971 meeting.

The Pagent Bridge was found to be in such bad condition that it was necessary to take emergency action for its repair. This was done with Duncan Fund money with the State's approval.

The Gas Subsidy Tax money, which became available to the Town Highway Department late in the year, was used to rebuild the storm sewer system on School Street at Cornish Flat. This drainage system has been in need of overhaul for many years.

A detailed accounting of receipts and expenditures on these projects will be found under the Highway Department Report.

The Selectmen are in the process of negotiating the division of the Fuller property, which was purchased by the School District. Final settlement and transfer of land is to be made as soon as a survey of the land is completed. It has, however, been definitely agreed that the Town is to have the use of the barns for the Highway Department. The Highway Department crew has made considerable repairs and improvements on these buildings.

We wish to thank the Recreation Committee for painting the Town Hall, and Mr. Kallinich for another gift of $25.00 for the benefit of the Police Department. We particularly want to express our appreciation for the cooperation and helpfulness the Selectmen of the Town have had over the years from Avis MacMillan who is retiring this year after many years as Town Clerk.

Myron E. Quimby
Michael M. Yatsevitch
Hollis J. Boardman, Sr.
Selectmen of Cornish, N.H.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Cornish in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in the said Cornish on Tuesday, the seventh day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

(z3	County Taxes	Necessary Amount

6. To see if the town will vote to establish a conservation commission under the provisions of R.S.A. 36A, and that the selectmen shall appoint said commission, to consist of five members, within thirty days of the said annual meeting, and that said selectmen shall also designate, for the purpose of calling the first commission meeting, a temporary chairman.

7. To see what action the Town will take in regard to the preparation of a Tax Map of all town property (This Tax Map must be ready by the year 1980), and to see if the Town will raise and appropriate the sum of $1,000.00 yearly to be placed in a Capital Reserve Fund, to be used in the preparation of this map at the selectmen's discretion.

8. To see if the Town will vote to purchase a new fire truck, and to raise and appropriate the necessary amount, this to be financed through notes over a period of time.

9. To see if the Town will authorize the Selectmen to use the money in the existing Fire Truck Capital Reserve Fund for the purchase of a fire truck and equipment for it.

10. To see if the Town will raise and appropriate the necessary amount to repair the fire pond on School Street.

11. To see if the Town will raise and appropriate the sum of $500.00 for the conserversion of the heating plant at the George H. Stowell library from wood to oil.

12. To see if the Town will vote to raise and appropriate the sum of $200.00 for use in the operation and development of theLebanon Regional Airport.

13. To see if the Town will vote to have the Selectmen appoint a committee of three to start compiling statistics from the year 1960 for the next volume of Cornish Town History, and that this committee have access to the town records for this purpose at the Selectmen's discretion. (By Request)

14. To see if the Town will pass an article that all landowners whose boundaries are being surveyed be notified of such action before it is to take place, and Selectmen to be notified of such action (By Request)

15. To see if the Town will prohibit storage of petroleum products beyond that alread in existence in this town, except for home use. (By Request)

16. To see if the Town will accept no new roads and that Highway Department policy be that of maintenance only of the roads we have. (By Request)

17. To see if further installation of electric, telephone and cable T.V. distribution systems in this town shall be underground, including services to residents and to street lights. (By Request)

18. To see if the Town will vote to instruct the Selectmen to sell or otherwise administer property acquired through tax sales.

19. To see if theTown will vote to instruct the Selectmen to borrow money, if necessary, in anticipation of taxes.

20. To hear the reports of Officers, Agents, Auditors, and Committees heretofore chosen and pass any vote in relation thereto.

21. To transact any other business that may legally come before this meeting.

Polls will close at 7:00 p.m.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and seventy two.

Robert C. LaClair, had 183 votes
Wayne Nelson, had 56 votes
Hollis Boardman, had 2 votes
Bill Gallegher, had 1 vote
Edward Jones, had 1 vote
Jim McSwain, had 1 vote
Norris Weld, had 1 vote
John Rawson, had 1 vote
Robert C. LaClair was declared elected.

For Sexton:

Robert C. LaClair, had 200 votes
Wayne Nelson, had 22 votes
Hollis Boardman, had 1 vote
Ralph Fransworth, had 1 vote
James McSwain, had 2 votes
Ramon Martinez, had 1 vote
Perley Welch, had 1 vote
Edward Jones, had 1 vote
Robert C. LaClair was declared elected.

The following Articles were voted on by ballot with results as listed:

Art. A.

Shall the provisions of Chapter 287 f the Revised Laws Relative to Playing games of Beano be adopted in this Town? Yes – 165, No - 60

Art. B.

Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board?
Yes - 130 No - 102

Art C.

Are you in favor of the adoptions of the Amendments to the existing Building Regulations as proposed by the Planning Board? Yes 133, No. - 92

Art. 2

The meeting was called to order by the Moderator at 1:00 P.M., who proceeded to read the warrant beginning with Art. 2, and the following action was taken:

(a) Joseph Woodward moved, seconded by Ruth Stewart, that we raise and appropriate the sum of $6,000.00 for Town Officers salaries. It was so voted.

(b) Edwin Lawrence moved, seconded by Clarence Decatur, that the Town raise and appropriate the sum of $2,500.00 for Town Officers' expenses. It was voted in the affirmative.

(c) Robert LaClair made a motion, supported by Bradley Hills, to raise and appropriate $600.00 for election and registration expenses. This was voted on in the affirmative.

(d) Robert LaClair moved, seconded by Joseph Woodward, to raise and appropriate $4,500.00 toward expenses of Town Hall and other Town Buildings, and it was so voted.

(e) Joseph Woodward moved, seconded by Wilbur Overman, to raise and appropriate $3,500.00 for the Townemployees Retirement and Social Security. This was voted on in favor.

(f) Robert LaClair, supported by Paul Tewskbury, moved to raise and appropriate the sum of $1,200.00 for the Police Department, which motion was so voted.

(g) Ellsworth Atwood made a motion, supported by Ruth Stewart, to raise and appropriate $1,300.00 for the Fire Department. This was widely discussed, and ended with a vote of 43 for, 21 against.

(h) Harry Nelson, seconded by Myron Quimby, moved to raise and appropriate $130.00 for the Town's share on Blister Rust Control. This was so voted.

(i) Eben Farnsworth moved, seconded by Edwin Lawrence, that the Town raise and appropriate the sum of $1200. to pay for insurance on town workers. This was so voted.

(j) Robert LaClair moved, supported by Joseph Woodward, to raise and appropriate $300.00 for damage by dogs - which pays for dog tags, license forms, etc. This was so voted.

(l) Harry Nelson made the motion, seconded by Ralph Farnsworth, that the Town raise and appropriate $200.00 for Damages & Legal Expenses, and this was so voted.

(m) Clara Weld made a motion, supported by Alfred Beckett, that we raise and appropriate $50.00 for Vital Statistics, and this was so voted.

(o) Norris Weld made a motion, seconded by Robert LaClair, that we raise and appropriate the sum of $100.00 for Visiting Nurse Service from Windsor. This was voted in the affirmative.

(p) Ellsworth Atwood moved to suspend action on (p) on the Town Dump, until we take up Article 15. This was seconded and so voted.

Art. 15

Quite a lenghty discussion was held on the Dump, as a number of the younger citizens wished it to be open both Saturday and Sunday, of each week also some raw garbage has been left there, which is out of order. Finally Ellsworth Atwood made a motion to pass over the Article, and Joseph Woodward seconded it. There was a rising vote whichresulted in 47 yes, and 26 no. Thus Article 15 was passed over.

(p) Ruth Steward moved, seconded by Judy Rook, to raise and appropriate $400.00 for the operation of the Town Dump. It was so voted.

(q) Robert LaClair moved to transfer to Article 20 before taking up section (q) of Art. 2.

Art. 20

Hollis Boardman explained Article 20, to improve the road by the Peter Burling place. This plan will be to cut out one very blind corner, which is dangerous, at no cost to us. Peter Burling will give the land for the new road, and pay all costs of building this himself. The Town is asked only to vote to dincontinue and release all claims to the old right-of-way upon completion and acceptance. Robert LaClair made a moiton, seconded by Pauline Monette, that the Town adopt this Article and accept the provisions thereof. Further discussion was held and the questions answered. Richard Wood moved to stop further debate onthis, seconded by michael Lawrence, and this was so voted. The motion made by Robert LaClair was repeated by the Moderator, and was voted on in the affirmative.

q) Robert LaClair explained this Article, calling for the large sum of $38,000.00. After discussion Robert LaClair made a motion that we raise and appropriate the amount, seconded by Jill Edson, and voted on in the affirmative.

r) Pauline Monette moved, seconded by Helen Link, that the Town raise and appropriate $198.00 for Street Lighting in Cornish Flat. This was voted on in favor.

s) On this section of Article 2, Augusta Comstock made a motion that the Town accept (s) through (z-4) and raise and appropriate the sums as stated in the Town Report for each. After discussion and comments on these, the motion was changed to read that we take up all these at one time, and seconded by Robert LaClair. This was so voted. Then Joseph Woodward moved., seconded by Kenneth Lord, that we raise and appropriate the amounts in (s) through z-4) and it was voted on in the affirmative.

Art. 3

Nicolaas Leyds and Robert LaClair explained the report of the committee on the Pay-Scale for Permanent Highway Department Employees. Alfred Beckett made a motion, supported by Kenneth Lord, that we adopt Article 3 as in the report. This was so voted. Robert LaClair assured us that any increase was taken care of in the $38,000.00 already voted on under (q).

Art. 4

It was moved by Bernice Johnson to pass over the article, and supported by Norris Weld. The Town so voted.

Art. 5 & 6

It was agreed to take up both Art. 5 and Art. 6 at one time, as both are on the same subject. One of the Firemen stated he believed the cost would be $2,000.00 or less, to deepen the pond on land owned by Mrs. Richard Davidson, and install two hydrants having 6 inch pipes. Hollis Boardman read a letter received from Mr. & Mrs. Davidson regarding their giving the Town of Cornish the land which contains the pond area, if the Town will pay for necessary surveys and deeds, and this to be done during the year 1971. Kenneth Lord moved, seconded by Wilbur Overman, that we adopt Articles 5 & 6. Norris Weld pointed out that there should be a fence planned, to encircle the pond, and suggested a chair-link type.

Clara Weld amended Article 6 to read: that we raise and appropriate the sum of $3,000.00 for the provisions as stated in Article 5 above, and this to include other essential features such as fencing. This was seconded by Ellsworth Atwood and so voted.

After further discussion Ruth Stewart moved, seconded by Clarence Decatur, that we suspend discussion at this time, and vote. The motion was passed.

Articles 5 and 6 with the amendment were repeated for a vote, and both were voted on in theaffirmative.

Then Ellsworth Atwood moved that all in the Town Hall rise as a vote of thanks to Mr. and Mrs. Davidson. This was done with clapping of hands and smiles.

Art. 7

Myron Quimby explained to the towns-people re-purchasing a police radio at a total cost of $1,093.00 with the state paying all except for the Town's share of $275.00. This will allow thesecond constable to also have a radio, giving communications to both sides of Town, and also to Claremont and Newport. Jill Edson moved we adopt Article 7 with the amendment to include raise and appropriate $275.00. This was seconded by Ruth Rollins and so voted.

Art. 8

Michael Yatsevitch made a motion to see if the Town will instruct the Selectmen to raise and appropriate an amount not to exceed $8,000.00 for the purpose of negotiating for acquisition of a portion of the Fuller land from the School District. Clara Weld supported this motion and added an amendment to read: that this meeting stipulate that a chain-link fence be

provided around the pond now situated on this land. This amendment was seconded by RuthStewart and so voted. Then the entire motion was voted on in the affirmative.

Art. 9

It was explained that the material for renovating the Selectmens office woudl cost about $425.00 and labor to do the job $450.00. Pauline Monette moved that this Article be passed over, seconded by Lawrence Hilliard, and so voted.

Art. 10

Robert LaClair explained that the cost to replace Pagent Bridge on the Tandy Brook road would be $6,500.00. He said it should have been done before as it is in bad condition. Then he made a motion to replace the bridge, seconded by Beverly Tewksbury, and to raise and appropriate the sum of $6,500.00 for this purpose. This was put to a vote by the Moderator and it was voted not to pass this article.

Art. 11

Being taken care of on regular ballot.

Art. 12

To give the George H. Stowell Free Library $1,600.00 to help pay the expenses of cataloguing the entire contents of the Library, was discussed. Then August Comstock moved that we pass over this article until next year, seconded by Pauline Monette and voted on in the affirmative.

Art. 13

Norris Weld moved that we accept Article 13, seconded by Kenneth Lord, which is to require itemized reports of all repairs and expenditures of all departments and include these in the annual Town Report. This was voted on in the affirmative.

Clara Weld moved that we ament it, to have alos in every Town Report the proceedings of the previous years Town Meeing. This was supported by Danny (Henena) Hilliard and so voted.

Fred Sullivan wished to amend the original motion further - he moved that the Town voted to require an itemized report of all repairs and expenses of heavy equipment of all departments, and to include these in the annual Town Report. This was seconded by Jill Edson and voted on in the affirmative.

Art. 14

Edwin Lawrence moved, seconded by Fred Sullivan, to make the term of Constable two years starting in 1972, and the person receiving the greater number of votes being elected for two years and the runner-up being elected for one year. This was put to a vote, after quite a discussion, with

the following results - for the motion 33, against 40, thus Article 14 was voted down.

At this time David Bevan moved that we have an hour and a half recess, as the time was 5:00 p.m. Wilbur Overman seconded this motion. This was voted on in the negative.

Art. 15

Article 15 has already been voted on.

Art. 16

There was a lengthy discussion on the article regarding trading of the 1965 Diamond T Truck and the 1951 plow equipment. Finally Myron Quimby made a motion that the Town raise and appropriate the sum of $10,000.00 by note, to be repaid at $2,000.00 per year. This was supported by Kenneth Lord. This was voted on in the negative.

Art. 17

Regarding the adoption of the Non-partisan Ballot System for the election of Town Officials as provided in the Revised Law of New Hampshire, Joseph Woodward moved we pass over the Article, seconded by Ruth Stewart. The vote was 39 yes, 40 no. Then Norris Weld, seconded by Arnold Wilkie, moved toaccept the article as printed. Motion was made by Ralph Farnsworth, supported by Donald Monette, to cease discussion and it was so voted. Then Norris Weld's motion was voted on by paper ballot: Yes 66, No. 33. The article was accepted.

Art. 18

Richard Wood moved that the Selectmen advertise for sealed bids on painting ofthe town Hall, but themotion was not seconded, and after discussion was later retracted. Then Norris Weld moved that we adopt the Article, and paint the Town Hall with volunteer workers, supported by Dale Rook. This was put to a vote and passed in the affirmative.

Art. 19

Michael Yatsevitch explained the road program for this year for the St. Gaudens road, and made a motion to discontinue and release all claims to the stretch of road in front of the Nicolaas Leyd's residence after completion of the new road serving the same area, and to accept a deed to the new right-of-way. This was supported by Kenneth Lord and voted on – 42 in favor, 11 opposed. The motion was carried.

Art. 20

This has already been taken up under Article 2.

Art. 21

Fred Sullivan moved that the Town vote to place the Civil Defense Department under the direction of the Cornish Fire Department and that the Assistant Fire Chief be appointed Civil Defense Director. After discussion Fred amended his original motion to read – that the Town recommend to the Selectmen that theCivil Defense Department be put under the direction of the Cornish Fire Department, and that the Assistant Fire Chief be appointed Civil Defense Director. This amended motion was supported by Dale Rook, and was voted on in the affirmative.

Art. 22

william Gallagher made a motion that we pass over the article, to see if the Town will vote to raise and appropriate the sum of $100.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, together with other towns in the Dartmouth-Lake Sunapee Association. This was seconded by Kenneth Lord, and voted on in favor.

Art. 23

Ruth Stewart moved that the Town pass over the raising and appropriating of the sum of $200.00 for use in the operation and development of the Lebanon Regional Airport. This was supported by Norris Weld and voted on in the affirmative.

Art. 24

Letters were read from the towns of Windsor and of Claremont with regard to our buying Ambulance service from one or the other. From the short discussion that followed, it was believed that this service was quite expensive, Norris Weld moved that we pass over the article, seconded by Clarence Decatur, and was voted on in the affirmative.

Art. 25

Michael Yatsevitch moved that the Selectmen be instructed to sell or otherwise administer property acquired through tax sales, supported by Edwin Lawrence and voted on in the affirmative.

Art. 26

Hollis Boardman moved, that the Selectmen be instructed to borrow money, if necessary, in anticipation of taxes. Fred Sullivan seconded this motion and it was so voted.

Art. 27

To hear the reports of Officers, Agents, Auditors, and Committees heretofore chosen, and pass any vote in relation thereto. Norris Weld announced that the Cornish Fair Association has purchased a new, ten burner gas stove for the Town Hall kitchen, and he invited everyone to go in and see it. He then moved to accept Article 27, seconded by Clarence Decatur, and it was so voted.

Art. 28

To transact any other business that may legally come before this meeting.

Fred Sullivan made a motion that the Town appoint the same Committee that we had last year on the Recreation Committee: Edwin Lawrence, Donald LaClair, Jacqueline Rice, Michael Lawrence, and Clara Weld. This was seconded by Joseph Woodward, and voted on in the affirmative.

Jack MacMillan said the Town wished to give special thanks to the Moderator for a long, hard day.

With regard to Special Committees, Clarence Decatur seconded by Kenneth Lord, moved we have the same Fence Viewers (Fred Sullivan, Edwin Lawrence, and Katherine Kibbie) also the same surveyors of Wood, Bark, and Lumber (Lionel Tracy and Jesse Stone) but in place of Earle Carpenter who has moved Myron Quimby was nominated by Paulind Monette. For Hog Reeves the same five, with Lester K. Little in addition: Michael Lawrence, Robert Kibbie, Clarence Decatur, Donald Monette, Leland Atwood, and Lester Little). One ballot was cast for the above nominations and it was a vote in favor.

Moderator James Mackintosh declared the public part of the meeting to be closed at 8:12 P.M.

Noon lunch was served by members of Park Grange No. 235, and at about 8:30 P.M. a couple of members of the Cornish Garden Club, who patiently waited for the meeting to come to a close, served a lovely supper.

Then three tables were set up, and the counting of all ballots was done. These were tallied and added up. Ballots were put into packages, sealed and signed.

Town Meeting was officially closed by the Moderator at 10:30 P.M.

Respectfully submitted,
Bernice Johnson,
Deputy Town Clerk

A true copy attest:

HIGHWAY SUBSIDY TO TOWNS AND CITIES

An Extract from House Bill 400, Chapter 504, Laws of 1971

Chapter 241:14 Highway Subsidy to Towns and Cities. In addition to any funds hereinbefore apportioned for construction, reconstruction and maintenance allotment purposes, the commissioner shall apportion on the basis of a sum of not less than four million four hundred eighty-seven thousand five hundred dollars, to each city, town and unincorporated place, on a one-half mileage and one-half population formula, an amount based on the proportion which the mileage of the regularly maintained class IV and class V highways in that city, town or unincorporated place as of January 1, of the previous year, bears to the total mileage of regularly maintained class IV and class V highways in the state as of that date, and the latest proportion which the official population census of that city, town or unincorporated place bears to the latest official population census of the state as of that same date. On orbefore January 1 of each year, the commissioner shall notify all cities, towns and unincorporated places of the amounts of highway subsidy being alloted in each fiscal year. Payments shall be made in quarterly increments in the months of July, October, January and April. If at the end of any fiscal year, the total amounts allocated to municipalities under the budget of the department of public works and highways does not amount to nineteen percent of the raod toll revenue for the preceding fiscal year, the amount of such deficiency shall be added to the amount specified in this section and shall be apportioned according to the formula set forth above and paid with the October payments. Those officers charged in RSA 71:24 with the keeping of uniform accounts shall also be responsible for the keeping of such accounts as related to those funds granted to municipalities under this section in a manner prescribed by the commissioner of the department of public works and highways. Such accounting officers shall, on or before March first of each year, return to the commissioner on prescribed forms showing the summary of receipts and expenditures during the last fiscal year. Such accounting officers shall also furnish at other times such information as the commissioner may require to assure that funds paid to towns, cities and unincorporated places pursuant to this section are not used directly or indirectly for any purpose prohibited by constitutional or legislative limitation. These funds shall be used only for the purpose of maintenance, construction and/or reconstruction of class IV and class V highways, Under no condition shall dollars received under this section beused for the purpose of matching to obtain additional state funds for other forms of highway aid. Whenever any city, town or unincorporated place is unable to utilize the full amount of their apportionment in the manner herein provided for any given year, as made under this section, the unused balance shall not lapse but shall be added to the total available for distribution to all towns and cities, the following fiscal year.

Effective Date. This act shall take effect August 1, 1971.

ROAD AGENT'S REPORT

I want to express thanks to the Board of Selectmen, and other town departments for their cooperation in the many problems of the department, and to the employees for their faithful service to the town, full time and part time.

Respectfully submitted,
Robert C. LaClair
Road Agent

PETER BURLING ROAD – 1971 $20,000.00

FIRE CHIEF'S REPORT

The Town of Cornish had a very good fire record last year. We had the least fires during the year of 1971 that we ever had since the fire department was organized.

The department helped a few property ownders dispose of some old buildings that were beyond repaid.

It was voted at the last town meeting to clean the pond opposite the school and install dry hydrants. Some of the firemen and their wives worked several days cutting wood and burning brush around the pond. The town has two dry hydrants to install next summer.

The pump on the Ford Truck is eighteen years old and it should be overhauled.

The firemen have over eighteen hundred dollars in their treasury to be used toward the purchase of another truck.

The Ladies Auxiliary purchased a new portable pump for the department.

Respectfully submitted,
Ellsworth H. Atwood, Chief

REPORT OF OVERSEER – 1971

Distribution of Surplus Foods:

Plainfield	560 Persons
	131 Families
Cornish	986 Persons
	220 Families
Families Range 1 to 10 each	
Veterans relief	2
Regular relief	2

Thank the people and Selectmen for their cooperation

Marion A. Boardman
Overseer of Public Welfare

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET - IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalant on the West Coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders by your guide.

1. Never, either when walking, riding or driving, discard a firebrand, a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put then **dead out** when leaving.

4. **Most important** - instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned - 1971 season:

STATE	463 fires	160 acres
DISTRICT	26 fires	10.8 acres
TOWN	3 fires	.3 acres

FOREST FIRE WARDEN,
Ellsworth H. Atwood

DISTRICT CHIEF,
Gerald S. Gross

OFFICE OF TOWN CLERK

The Town wishes to express its appreciation for the gift of a pair of crutches from Philip Rock. These will be kept at the office of the Selectmen, and are available as a loan to any Cornish citizen who has a need for them. Thank you Philip.

***

We also are indebted toMrs. Mary Hilliard Shaw for several copies of old Cornish Town Reports. These are from the estate of her sister, Mrs. Ruth Hilliard Russell of Claremont, N.H. who died May 21, 1971, and was a direct descendant of the Hilliard and York families who were natives and residents of Cornish.

***

As I bring to a close my term of service as Town Clerk for the Town of Cornish I would express just a word of appreciation for the many friends I have made along the way. It has been a privilege to serve you these many years, and I look forward with the hope that you will drop in now and then for a little visit with us.

With thanks an gratitude for the many courtesies I would like to remain

Your friend,
Avis B. MacMillan

AUDITOR'S REPORT

We, the undersigned Auditors for the Town of Cornish, N. H. hereby certify that we have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Trustees of Trust Funds, Library Trustees, and find them correctly cast and properly vouched.

Eben A. Farnsworth
Edna W. Guest

REPORT OF THE PLANNING BOARD

During the year the Planning Board has held 17 meetings and two public hearings. This number of meetings indicates a substantial increase in the Board's activities compared with 1970 when only eight meetings were held.

At the First meeting of the year Miss Evelyn Lear was elected Chairman and Stephen Tracy, Secretary.

At its meeting of May 10, Orville Fitch was nominated for reappointment as a member of the Board of Adjustment, and this appointment was subsequently made by the Town Moderator.

The Cornish Subdivision Regulation has produced many inquiries and preliminary applications from persons who proposed to sell tracts of land. One application filed by Davis & Symonds Lumber Company proceeded to the submittal of a final plat, to the holding of public hearings, and to the eventual approval by the Board of a subdivision located on the East Road.

During the summer a group of citizens undertook to raise funds by public subscription to enable the Board to have a master plan of the town developed. This effort was successful with approximately $2,300 contributed. The members of the Planning Board take this opportunity to thank those who so generously expressed their interest in the Town's future.

The Board engaged the Environmental Consulting Group, Inc. of Cornish to prepare land-use studies of the Town and to assist the Board in preparing a new zoning ordinance based on these studies. At the end of this year a series of maps and a master land-use plan are nearning completion, and a new zoning ordinance will be presented at public hearings and then offered for voter action at Town Meeting.

The members of the Board have been encouraged by the evidences of greater interest in and concern for the future of of Cornish, and they appreciate the suggestions and constructive criticisms they have received thoughout the year from many of the Town's citizens.

Evelyn Lear, Chairman
Mrs. Arnold Feary
Hollis Boardman, Sr.
Alonzo Spaulding
Arthur Densmore
Robert Hunt
Stephen Tracy, Secretary

REPORT OF THE CORNISH FAIR ASSOCIATION – 1971

The year of 1971 brought a new look to the layout of the fairgrounds, the idea of it all to make fair days more comfortable for our patrons, whom we would like to thank for their attendance.

The cattlesheds were given a coat of paint to keep the fairground's appearance up. A new wash area was put in by Sullivan County 4-H for washing show cattle. Three days before fairtime we encountered a water problem, but thanks to our good neighbor, Dwight Wood, we put in two new dug wells, one on the fairgrounds and one on Dwights land across the street from the Town Hall. Even the animals had running water at fairtime. Although we did not have enough water for washroom facilities before the wells were dug, we had an overabundance on the surface around the Town Hall, this was solved by trucking in 6 loads of crushed gravel, thanks to Charlie Weld, and spread with the compliments of Jim McSwain Jr. before fairtime. A new stove was purchased by the fair association for the Town Hall and since has been used for a few suppers put on there.

Four hundred dollars was given to the recreation committee so the basketball court could be finished before fair time.

Each year notices are sent to school asking for suggestions for a theme for the fair, and a five dollar prize is given to the winning suggestion.

Se you at the fair in 1972 and please remember, help us keep our fair a real (Country Fair)

Respectfully Submitted,
E. Lawrence, President
J. Stone, Vice President & State Delegate
B. Johnson, Secretary
W. Overman, Treasurer

SCHOOL WARRANT

Cornish School District

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Cornish qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall, in said District, on the 4th day of March, 1972, at 10:00 A.M. to act upon the Articles set forth in this Warrant.

Article 1 of the Warrant will be acted upon 10:00 A.M. and voting will be by official ballot and checklist, and the polls will remain open for this purpose from 10:00 A.M. until 6:00 P.M., at which time polls will close.

At 1:00 P.M. Articles 2 through 10 will be acted upon.

Article 1. To choose a Moderator, Clerk, Treasurer, and Auditors for the ensuing year and a Member of the School Board for the ensuing three years.

Article 2. To determine and fix the salaries of the School Board and fix the compensation of any other officers or agents of the District.

Article 3. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Article 4. To choose Agents and Committees in relation to any subject embraced in this Warrant.

Article 5. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of District officials and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 6. To see if the District will raise and appropriate the sum of $120.00 for membership in the N.H. School Boards Association.

Article 7. To see if the District will raise and appropriate a sum, not to exceed $3,000.00, for the purpose of equipping the school library. (By petition).

Article 8. To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances,

grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies, and to expend the same for such projects as it may designate.

Article 9. To see if the District will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources in addition to the original appropriation for 1972-73, for the lunch program, general expenses, equipment and improvements.

Article 10. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL at said Cornish this 14th day of February, 1972.

G. Alvan Barrus
Willow H. Densmore
Michael M. Yatsevitch,

Cornish District School Board

CORNISH SCHOOL BOARD REPORT

Your School Board continues to meet often and at length. Regular business meetings are usually held the third Monday afternoon of each month, and informal meetings with parents, teachers and students are scheduled for 2:00 - 5:00 P.M. for the first Monday of the months when school is in session. Many other special sessions have been held due to the school addition construction and various other problems. All meetings are open to the public.

We have been pleased with the new rooms and facilities. We believe the work was well done, and have heard many favorable comments. We again express our gratitude to all who have assisted in so many different ways.

We believe we have a very devoted staff of teachers, and other workers at the school. We welcome and appreciate our new teachers, and again thank all those who have been with us one or more years for their efforts in providing superior elementary education.

The results are indicated by above average achievement tests, a good percentage on the area high school honor rolls, and by the remarkable outcome of a contest sponsored by the Claremont Daily Eagle for the best letters on "Why I am a Typical Fourth Grader." After the judges had selected the ten best letters from hundreds submitted from schools over a wide area of New Hampshire and Vermont, and had decided that there was a tie for first place, it was discovered that the two best letters were both from Cornish Fourth Graders. We salute and congratulate Heidi Rook and Brenda Hutchins for entering and winning the contest.

We have never been completely satisfied with the mathematics courses in our school. This year, after careful study of texts by each board member, and advice from Superintendents and experienced teachers, we have purchased and put in use a new aritimetic series published by Addison-Wesley which we believe will strengthen the understanding and practical use of "old" and "new" math with a balanced and sensible presentation for each grade.

Although it appears that school expenses must continue to rise, we would emphasize again that the cost per pupil at Cornish Elementary School is almost the lowest in the State of New Hampshire. We feel that this fact, together with our student's scholastic records agrees with the special report of an educational sub-committee of the N. H. Legislature made about four years ago which stated: "Our findings show no evidence that increases in educational expenditures, or in the size of schools, will, in and of themselves result in improved educational performances."

Finally, we would thank Superintendent George F. Disnard, Assistant Superintendent Richard F. Waldo, Teacher Consultant Anthony J. Amari, and others in the Supervisory Union Office for many hours of cooperation and

assistance during the past difficult year. To the P. T. A., other groups and individuals we owe much for helpful advice and financial aid, as we constantly try to improve our School and its program.

Above all we wish to support and encourage everyone who takes a sincere interest in our Cornish School. The informed citizen is the best foundation and safeguard of good education, as well as our Republic.

Respectfully submitted,
Cornish School Board:
G. Alvan Barrus
Willow H. Densmore
Michael M. Yatsevitch

REPORT OF THE ASSISTANT SUPERINTENDENT

To the School Board of Cornish and Citizens of the Town, I herewith submit my report as Assistant Superintendent of Schools.

FACULTY:

Four teachers new to the community joined our faculty this September - a number considerably less than the previous year. We are pleased to have retained a core of experienced and competent teachers, and welcome:

Miss Elizabeth Foote of Randolph, Mass., teacher of grade 4 succeeding Mrs. Karen Mills, resigned. Miss Foote is a 1971 graduate of Nathaniel Hawthorne College.

Mrs. Alice P. Hendrick of Plainfield, N.H., employed to teach grade 1, replacing Mrs. Marjerie Kidder, retired. Mrs. Hendrick, a graduate of the University of Vermont, has more than 20 years teaching experience and taught for the past 15 years at the Plainfield School.

Miss Alexis Hoelzel of Hingham, Mass., teaches the Readiness Class, formerly taught by Mrs. Mavourneen MacLyman, resigned. Miss Hoelzel, a 1970 graduate of Forham State College, taught last year in Weymouth, Mass.

Miss Cynthia Mathewson of Riverside, Conn., succeeds Miss Diana Weidenbacker in Grades 2 and 3. She is a 1971 graduate of Decar Crest College, Pennsylvania.

THE ADDITION:

The teachers and students housed in the new rooms are delighted with this additional space for learning. The inconveniences created by the construction of last winter and spring have now brought the rewards.

It appears certain that, as the date of the District Meeting arrives, all work will be done and final payments made. To Mr. Neil Daniels, contractor, and Mr. Brooke Fleck, architect, thank you for a job well done.

The building fund had approximately $2,300 remaining after all contractual fees were paid. The unencumbered funds were put to good use: shades for the new rooms, the required conversion of the fire alarm system in the old wing, and a piece of maintenance equipment for Mr. Mark.

The library is yet to become operational; to make it so requires additional expenditures. I am convinced that children need such a resource center in the school, and I have made such a recommendation to the School Board. The cost for this is estimated at $5,500.

CURRICULUM:

The addition alleviated overcrowding and thereby increased teaching effectiveness. Mr. Amari, teacher consultant, states: "The additional space at the primary level was important to us in trying to reach ALL children, especially in the all-important formative years. It is now possible to house in the school a readiness class which has been able to help many youngsters who would have been otherwise denied better educational opportunities."

In June, the staff completed a revision of the math program. Initial implementation began this fall and has resulted in satisfactory progress to date. The regrouping of pupils in the upper grades has resulted in a greater individualization of instruction.

As in the past, teachers and principal meet periodically to assess their progress and improve areas of instruction.

It was most rewarding to have two staff members participate in a phonics workshop with the Open Court Publishing Co. at Marymount College in New York State. These teachers in turn shared their knowledge in different reading methods with other staff and thereby increased teaching effectiveness in Cornish.

Mr. LaPlant's report discusses the program of studies in detail.

THE BUDGET:

As this report is being written, a proposed budget is still being considered by your School Board. The budget will increase moderately for the school year 1972-73; the cost of all services and products used by a school district continues to rise in spite of the recent freeze and restrictions on price increases.

Factors having the greatest impact on the budget increase include higher tuition fees by area secondary schools, fixed charges (especially Social Security), salary increases, and transportation. In justification of the increases, it should be said that the tuition paid to Stevens, where the majority of Cornish high school

students go, remains one of the lowest of the Valley communities. The state will no longer pay one-fifth of a district's Social Security payments for its teaching staff, another in a series of cuts in state support of school. Salaries paid to Cornish teachers are not high, and the cost of transporting our pupils is well below the average cost for towns of comparable size.

State support for education - it leaves little to be said. New Hampshire continues to assist its communities less as the need increases. Most recent examples: the loss of assistance toward Social Security payments referred to earlier; an approximate 50% cut from last year's foundation aid ($45,000 to $24,000); building aid down to 55% of the state's share; and A.R.E.A. aid down from 88% to 33%.

OTHER:

To those parents of freshmen, or soon-to-be freshmen, at the Stevens Annex who have as yet to visit the newly renovated school, please do so soon. You will find the teachers and administrators friendly, helpful, and anxious to show you the building and explain the program of studies now being offered there.

Many new state laws have been passed which affect schools; I will comment on two. First, all new incoming students, first graders or otherwise, must now have a physical examination before they can be enrolled in school. Second, a school district must now provide for an educational program for all handicapped students. Previously, the only compulsory education was for the physically handicapped.

The school board must prepare a plan for implementation of minimum standards for presentation to the State Department this fall. This five-year plan, when accepted, will assure Cornish of state funding for support of its school, whatever the amount. The addition was a big step forward toward compliance for student-teacher ratios and library.

As one reflects on the past month, acknowledgements for services and support are again due so many individuals and groups. The school's staff continues to be energetic and dedicated. To those who direct or assist with the athletic programs and other school functions, the PTA for its generosity, the news media, you have our gratitude. Your School Board, under the chairmanship of Mr. Barrus, has given untiringly of their talents and services in planning the present and future direction of education for Cornish children. To each and every one of you, the citizens of this town, who support the school system through taxation, a hope that relief and a greater sharing by the state will soon come. The behind-the-scenes people who help the school and programs to operate effectively and efficiently – Mr. Disnard, Mr. Amari, the secretaries at the Supervisory Union office whose efforts, though perhaps not so obvious, are there each and every day – my thanks.

RICHARD F. WALDO
Asst. Superintendent of Schools

PRINCIPAL'S REPORT
1971 - 1972

Many factors contribute to the successful operation of a school. In my opinion, the added classroom space of the new addition, and a well qualified instructional and non-instructional staff, sensitive to the needs and differences of young people, have helped make this year a rewarding one for student and teacher.

Students have enjoyed field trips to several interesting places in this area, in conjunction with specific units of study. They include; Wellwood Orchard, Claremont Hospital and New Hampshire Vocational Technical Institute. Cornish students conducted themselves very well during these trips.

Many of the teachers are participating in a variety of educational courses which will help them continue to provide effective teaching.

This year a new mathematics series has been instituted. The "Addison Wesley" series provides the student with and opportunity to work at a performance level commensurate with his ability. The faculty and administration will continue to evaluate the series to see that the student gets the most out of it. Thus far, many students seem to be experiencing success in math.

Success in other areas of education might be greatly enhanced by the installation of a functioning centralized library. This provides the student with a wide variety of books and other audio-visual educational aids on many levels. A library of this type would give every student a chance to use all materials available.

One of the most popular co-curricular activities initiated this year is the skiing program. Students are transported to Mt. Ascutney, Vt. for eight weeks of ski lessons. Mrs. Betty Macy. P. T. A. secretary, should be commended for her hard work getting this program started. Programs of this type can aid the development of skills and abilities in recreational activities that will carry over into the adult lives of those students involved.

The interscholastic athletic program is thriving under the direction of Mr. David Walker. The basketball and soccer teams have represented Cornish well. Some of the most enthusiastic supporters of our teams are the cheerleaders, directed by Mrs. Alice Hendrick assisted by Miss Betsy Foote and Miss Cynthia Mathewson. All those parents who contributed to the success of the program deserve a vote of thanks.

I would like to thank the P. T. A., the Cornish School Board, the Superintendent's Office and the entire staff for making this year successful.

Respectfully submitted,
Richard W. LaPlant
Principal

REPORT OF THE COMMITTEE FOR STUDY OF HIGH SCHOOL TRANSPORTATION

This committee was appointed by the 1971 Cornish School Meeting to study the high school transportation situation and submit an article for the 1972 school warrant. After investigation and discussion, we reached the unanimous conclusion that the current system is the most desirable, and that it should be retained. Thus we have not submitted an article for the warrant.

State law requires that school districts furnish transportation to all pupils under 14 years old or below ninth grade, so long as they live more than two miles from their school. (They can be required to walk as far as one and a half miles to a bus stop, or one mile to other transportation.) Practically speaking, this means that high school students legally have to provide their own transportation.

There is an element of unfairness here. After all, if government is to require students to attend high school, it ought to provide them the means of getting there. Even in the absence of a legal requirement, many school districts have chosen to pay for high school transportation. Besides Cornish, 95 other school districts in New Hampshire don't maintain a high school. Of these, 51 pay for the transportation of their high school students, and 44 do not. So there is ample precedent for whichever course the school district decides to take.

This committee felt that the question of who pays for transportation is secondary to the fact of transportation itself. Every student should have the means of getting to and from high school. Currently there is space enough on the various Cornish school bus routes to accommodate all high school students in need of transportation to Stevens or Windsor High. Mr. Hood charges each student 20 cents for a ride to or from the Cornish-Windsor covered bridge, and 25 cents for a ride to or from Stevens. (In 1970-71, a few Windsor High students were temporarily denied transportation due to a licensing difficulty that has since been resolved.) School population statistics indicate that our existing bus system will be adequate to handle all high school students in need of transportation for at least several years to come. An increasing number of high schoolers are blessed with their own automobiles. Since they often transport a friend or two, the number of high school students in need of bus transportation has actually diminished, even though the high school population has increased.

In terms of both flexibility and cost, the current pay-as-you-ride system compares very favorably with any program of formal subsidy. Students can take the bus only when they need it; if they find alternate transportation, there is no charge to them or to the town.

If the district were to pay for high school transportation, it would have to provide seats for all students, whether they were used or not. This would require another bus. Cost to the town, on the basis of the current high school population, is estimated at $3,960 a year, a sum two or three times greater than the total now paid by all fare-paying high school students.

If the school population increases substantially, we might someday reach the point where current buses don't have room for fare-paying students. Then the district's legal obligation to transport grammar school students would take precedence, and at least some high school students might be denied transportation. But in the meantime, the system we now have seems a satisfactory and economical solution to current needs, and this committee recommends that it continue as it is.

SCHOOL NURSE'S REPORT

1970 - 1971

To the Cornish School Board and Citizens of Cornish, I herewith submit my annual report as school nurse.

The following examinations were given during the school year 1970 - 1971: Vision tests to all students, with fourteen referred for further examination, and twelve of these receiving further examinations, a total of 160 hearing tests, of which five were referred for further examination and received medical attention, color perception tests to 95 students.

A total of 31 students participating in sports received physicals by Dr. Robert Lanzer.

No serious outbreak of contagious diseases were reported to the school.

Head and skin checks were done periodically throughout the school year. All students were weighed and measured.

At pre-school registration, short conferences were held with twenty-two parents. These afford an opportunity for parent and nurse to become acquainted with any problems their pre-school child may have and for parent to have a better understanding of the school health program.

Please continue to keep the school informed of your wishes, in the event your child is taken ill at school, as to where to contact you or the person who will be responsible for the child and provide transportation.

The new addition to the school has greatly facilitated the carrying out of the Health Program. I enjoy my association with all the personnel and School Board members at Cornish and I wish to express my appreciation to all the personnel for their generous cooperation with me and the health program.

Respectfully submitted,
Ruth D. Sanderson,
School Nurse
